Profile

Looking to obtain a cooperative education position that uses my Javascript, HTML, CSS, C#, and design abilities to create innovative and captivating experiences.
Available May of 2020.

Projects

GenderFree Restroom Locator Service - Independent Group Project

Project/Programming Lead | Rochester Institute of Technology | Rochester, NY | **In Progress**

- Coordinate and assist a team of four others with both the design and development aspects of the gender-neutral restroom locating app for RIT's campus
- Write the weekly status reports to keep track of our progress and ensure we are working towards our goals
- Work on the code that allows functionality of the mapping and AR technology

Sea What You Did?

Final Project for Web Design and Implementation | Rochester, NY | Dec. 2018

- Learned and implemented the JavaScript library "hexi.js" to create an interactive graphic that teaches the user about the harmful effects of ocean pollution
- Designed the graphics used as the buttons in Illustrator
- Worked collaboratively with a partner to combine the interactive graphic with the web page she created

Mini Savage: Golf Edition

Programmer | Champlain College Game Academy | Champlain, VT | June 2016

- Collaborated with three others over the course of two weeks
- Wrote the audio and some of the movement scripts in C# to use in Unity to create a fully-functional, golf-themed game

Work Experience

IGM Ambassador Tour Guide

RIT Interactive School of Games and Media | Rochester, NY | Sep. 2018 - Present

- Met with, answered questions, and provided tours of the IGM facilities to prospective students and families
- Completed tasks for the IGM staff when not giving tours

Student Notetaker

RIT Disability Services | Rochester, NY | Oct. 2017 - Dec. 2017

- Created high-quality discrete mathematics notes for students with disabilities

Electronics Sales Associate

Wal-Mart | Northborough, MA | June 2017 - Aug. 2017

- Provided excellent customer service by engaging with customers, answering questions, and encouraging sales
- Assisted with basic technical support
